

Lake California

The semi-annual Spring Community Yard Sale Event will be on
April 15th, 2023 from 8 AM to 4 PM only.
Please remember the following:

1. Members must register with the LCPOA office (Mandatory) in order to place yard sale signs.
2. Registration closes on Wednesday, prior to the Yard Sale and maps will be available at the POA Office during normal working hours or on the website starting on Friday prior to the sale.
3. Maps will be available in the black box at the POA Office for Members Guests and Family that are registered.
4. Signs may be placed no earlier than Friday prior to the Saturday event and must be taken down no later than the following Sunday.
5. Name, Address and Phone number must be on the back of the sign.
6. If signs are not removed by Monday after the Saturday event, discipline may be imposed.
7. Members Family and Guest must be registered on your **DwellingLive account by 4 PM on Friday**. Members Guests must be in the authorized members guest list and have a valid ID for entry.

***NOTICE OF THE MEETING OF THE BOARD OF DIRECTORS OF THE
LAKE CALIFORNIA PROPERTY OWNER'S ASSOCIATION***

***THE NEXT BOARD OF DIRECTORS MEETING OF THE
LAKE CALIFORNIA PROPERTY OWNER'S ASSOCIATION HAS
BEEN SCHEDULED TO BE HELD ON TUESDAY, FEBRUARY 21, 2023***

NOTE: No audio or videotaping is allowed by attendees. As provided for in the "Open Meeting Act," members may observe the meeting, but do not have the right to participate in the Board's deliberations or votes. Members may address issues as they come before the Board or address issues not on the agenda during the open forum portion of the meeting, provided they have filled out a comment card at the meeting. Only members in good standing are free to speak about issues. Speakers must observe rules of decorum and not engage in derogatory remarks, obscene gestures, personal attacks, shouting or other disruptive behavior. Each speaker will have three minutes to speak. If they are in the middle of a sentence when time is called, they may finish their thought before sitting down. The time guidelines ensure that others will have an opportunity to speak. Speakers may not allot their time to others. If at any time during the meeting an attendee becomes disruptive, he or she may be expelled from the meeting.

- Illegal burning- 1
- Traffic accidents- 1
- Gas hazard- 1
- Vehicle fire- 1
- Smoke check- 1
- Structure fire- 1
- Total calls for service: 23
- Total calls since 1/1/2023: 36
- Rainfall for 1/23: 8.10”
- Rainfall to date this month: unknown.

L. CONSENT AGENDA- N/A

M. OLD BUSINESS- N/A

N. NEW BUSINESS

1. Motion to approve the Browning Reserve Study for 2023/2024 fiscal year showing the yearly contribution to be \$865,000.

**Motion by Director Church and seconded by Director Sullivan
Motion unanimously approved.**

2. Motion to approve the LCPOA Budget for 2023/2024 fiscal year as recommended by the Budget Committee.

**Motion by Director Sullivan and seconded by Director Fenwick
Motion unanimously approved.**

3. Motion to approve the 2023/2024 fiscal year contract for Lake Treatment to Waterworks Industries, LLC in the amount of \$54,250. Funding source to come from the Operating Account.

**Motion by Director Fenwick and seconded by Director Gomez
Motion unanimously approved.**

4. Motion to approve the 2023/2024 fiscal year North State Security contract effective July 1, 2023. Estimated yearly expenses of \$245,115 (hourly wages vary based on regular time, overtime, special events, hearing officer, and on call site supervisor). Funding source to come from the Operating Account.

**Motion by Director Fenwick and seconded by Director Sullivan
Motion unanimously approved.**

5. Motion to approve the 2023/2024 fiscal year PEO contract with Teamwork HR to provide HR support to Management & Staff, Workers Comp Coverage along with other benefits effective 4/1/23. Funding source to come from the Operating Account.

**Motion by Director Church and seconded by Director Fenwick
Motion unanimously approved.**

6. Motion to approve bid for Robert Province, CPA, CSEP to conduct the LCPOA audit and preparation of tax returns/filings for the year ending June 30, 2023, in the amount of \$11,500. Funding source to come from the Operating Account.

**Motion by Director Gomez and seconded by Director Fenwick
Motion unanimously approved.**

APPROVED

7. Motion to approve the 2023/2024 fiscal year contract for Associated Engineering Consultants.
Motion by Director Church and seconded by Director Gomez
Motion unanimously approved.
8. Motion to award 2023 mastication bid of \$65,000 to Western Grazers to have 293 acres grazed by goats for fire prevention.
Motion by Director Fenwick and seconded by Director Sullivan
Motion unanimously approved.
9. Motion for Board to approve "At Home Business Request", 19876 Squaw Place Cottonwood, CA 96022, Property Owners Chiara & Gregory Goedert.
Motion by Director Church and seconded by Director Fenwick
Motion unanimously approved.
10. Discussion Item on teleconferencing:

Purchase of teleconferencing camera and support equipment. Teleconferencing has become a practical way to add the availability for more participation in meetings. With a quality camera participants would be able to see the crowd and see the person speaking. It would also allow for participants to view the meeting that they are not able to attend in person. This could potentially provide a more inclusive meeting to the community that might not always be able to make meetings. Camera and supporting equipment could be used for multiple meeting such as budget and architectural committee meetings. Expenses should not exceed 2000.00 one-time purchase. <https://www.digitalcameraworld.com/buying-guides/best-conference-webcam>

Subscription to teleconferencing call service. With a subscription it would provide a link that is specific to Lake California Homeowners association. The meeting link would be able to be posted on the web along with the agenda for upcoming meeting. With proper service and teleconferencing equipment, it would provide a great option for people that are not able to attend meeting. This link could be used for multiple meetings such as budget committee and architecture. Best to use a service where the free portion for with access to our meetings. Meeting could also be recorded for meeting minutes. Audio can also be saved for people that want to listen later.

SAFETY FAIR

April 29th 10 am - 2:00 pm

BOOSTERS

Attention High School Seniors

You may qualify for a \$1000. scholarship awarded by the Lake California Boosters. Applications are available at the POA office or the counseling offices of the following high schools; Foothill High School, Red Bluff High School, West Valley High School, Anderson New Technology High School. The Deadline for turning in applications is April 28, 2023.

To be eligible for a Boosters Scholarship the requirements are:

1. Resident of Lake California.
2. Grade Point Average of 3.5 or above (attach a copy of your high school transcript)
3. Community Volunteer Service (non-profit organization) active participation/good citizenship
4. School Activities, e.g., sports, clubs, music, tutoring or home school activities
5. Two or more letters of recommendation from a non-relative, e.g., teacher, counselor, employer, coach, pastor.
6. Include a short personal biography and your future plans.
7. ALL information will be verified.

Pick up your application soon and return it to either your counseling office or the Property Owners Association Office in Lake California at 19999 Lake California Dr., Cottonwood CA 96022. The Boosters Scholarship Committee will be meeting to evaluate all applications after April 28th. For further information or to get an email copy of the application, please call Laurel Moehrl, Scholarship Chairman, 530-347-5540.

The View from the Street

2023 FIRE HAZZARD WEED ABATEMENT NOTICE

As we move into what is expected to be another hot dry late spring and summer, we want to remind property owners of community rule **RR-18-30 Unimproved Lot Maintenance and Weed Abatement** which was approved and adopted by the LCPOA Board of Directors back in May 2018 and states that *"Year-long maintenance shall be performed on unimproved lots. Grass and vegetation shall be cut to (3") inches or lower and berry bushes shall be removed. Due to the health and safety issue, penalties shall be assessed at twice the stated amount of the LCPOA Fine Schedule when unimproved lots are not maintained in compliance with the Lot Maintenance and Weed Abatement rule."*

As such there will NOT be a specifically set "Cut-Off" date going forward for property owners to have their lots cut by. Your property is to be kept cut and maintained throughout the year in accordance with the above community rule and regulation.

Violation Notices will be mailed out to those property owners who fail to maintain their property in compliance with the above requirements which could then result in a Violations Hearing being scheduled and the possibility of an Enforcement Assessment, (starting at a minimum of \$500.00) being imposed against the property owner's LCPOA member account.

Also as the property owner, you are responsible for maintaining your property in accordance with Tehama County Code Section 9.05 which is known as the Tehama County Fire Hazard Abatement Ordinance and states in part that *"All required fire-breaks shall be created and maintained by mowing all weeds, grass, rank growths, shrubs, trees, and trimmings therein to a maximum height of three (3) inches, or by disking or removing all weeds, grass, rank growths, shrubs, trees, and trimmings from the firebreak."* Also, it is stated that *"On vacant parcels of urban lands that are one and one fourth (1.25) acre in size or smaller a firebreak shall be required over the entire area of the parcel."*

It would be reasonable to believe that CalFire will be back in the area sometime around the first part of July, 2023 to again carry out their property inspections and mail out notices of violation to property owners who have failed to remove wildfire hazards from their property.

Please keep in mind the following while doing weed abatement work:

Vegetation is to be cut to approximately 3" in height. Lots are to be cut to the extent practical and feasible based on topography of lot. Also required is cutting around and under living trees including vegetation from the front survey pins to the back pins as is feasible. Caution should be taken so as not to scar or ring trees, as the damage could cause the tree to die.

When cutting on site, required equipment during mowing is to include at a minimum a 2-1/2 gallon water extinguisher and a long handled round pointed shovel regardless of the type of mowing equipment that is being used.

Steel blade mowing hours allowed by the LCPOA are from 7:00 a.m. to 12:00 noon and for cutting by use of a nylon string weed-eater the hours are 7:00 a.m. to 5:00 p.m.

All contractors hired for cutting must have a \$1,000,000.00 liability insurance policy naming the Lake California Property Owners Association as an additional insured. A copy of the Insurance Certificate must be carried in your vehicle & presented to any LCPOA employee upon request.

LC FIRE DEPT

Hello Lake California,

Following our crab feed event and the generous support we are now in the process of purchasing updated equipment. We will be purchasing Lighting equipment, smoke removal equipment and lifesaving medical equipment. Please mark your calendar for two really important events happening in Lake California. **APRIL 15th** is our next fundraiser as we get ready to serve up a Chili Dog lunch for you. Come join us for lunch and enjoy a delicious Hot Dog lunch, time is the same 10:00 to 2:00 pm. Then on **April 29th** we will once again have our annual Public Safety Fair at the Lake Club from 10:00 to 2:00 pm. Bring the kids and enjoy looking at 5 helicopters, bull dozers, fire engines, Law Enforcement vehicles, California USFS Smoke Jumpers, live Auto Extrication, learn CPR and lots more. This is an event you will not want to miss.

RESIDENTIAL NEWS:

Our volunteers have been training regularly to be the best they can be. We hope you have been checking us out on Facebook. We have posted many pictures of your volunteers training. These past 30 days have been extremely busy as our volunteers ran 40 calls. One day we ran 3 calls for the day and two were simultaneous. We are happy to say we handled both simultaneous calls.

Our Lake California Fire Department Auxiliary group is seeking new volunteers. If you would like to be one of our auxiliary members, please call our president at 530-710-4435. We cannot accomplish our fund raising without this dedicated group.

Our Community CERT staff is doing good things and we continue to support the organization. They are looking for new members and we will be conducting future CPR classes for our community. Saturday March 30th we will be teaching CPR at the Lake Club. We still have seats available. More classes will be coming up.

WE NEED VOLUNTEERS! We make a difference in our communities. If you would like more information on becoming a volunteer firefighter, auxiliary member or CERT member, please send us an email at: lakecaliforniafd@gmail.com Please stay informed on Fire Department news by liking us on Facebook at our NEW ADDRESS: "Tehama County Fire Station 2, Lake California". We will answer any private messages sent to our FB page.

Our mailing address is: Lake California Fire, 22097 Riverview Dr., Cottonwood, CA. 96022 Donations are always accepted and appreciated. Thank you to those who have donated.

SUMMARY OF INCIDENT: 2-20 thru 3-20-2023

Medicals: 23

Public Assist: 8

Traffic Accidents: 4

Gas Hazard: 1

Electrical Haz: 1

Flooding: 1 (Bowman)

Structure Fire: 2

TOTAL Call for Service: 40

Total calls since Jan 1, 2023: 76

Rainfall for February: 3.88 inches

Rainfall to date this month: 9.15

Respectfully submitted: Chief Chris Wikeen

FIREWISE USA[®]
RESIDENTS REDUCING WILDFIRE RISKS

April 2023

Hello Lake California Firewise Community Members!

We had a Firewise meeting in March and discussed several topics. 18 people attended, 4 more than the last meeting! Our website has all the updated information: <https://lakecaliforniafirewise.wordpress.com/>

A special guest attended our meeting, Riley Wills from Resource Conservation District (RCD) <https://www.conservation.ca.gov/dlrp/RCD/Pages/Index.aspx>. RCD is a legal subdivision of the state. Riley has great expertise and resources and is partnering with our Firewise Community to help us do many things. With the commitment of Lake California community members, Riley will help us secure grants. He is aware of our road situation and said that the work we do together would get us closer to getting more help. Riley has communicated with the POA and Leviathan and everyone is in agreement to work on fuels reduction treatment in Lake California. Here is Riley's contact info: Riley Wills contact information: 916 548 0515 Resource Conservation District rwills@tehamacountyrcd.org

We are still collecting information from Lake California residents about the future chipping day. There are forms that you can grab in the POA to fill out or you can use this one: <https://forms.gle/xEkmLSUqxGHtA8kr7>

Also, please keep sending the Firewise Certificate to your insurance company every year and ask for a discount. Copies of the certificate are in the POA office and on our website. Luis Gomez mentioned that everyone should write to the the State Fire Marshall regarding our rating: FHSZinformation@fire.ca.gov

Here's a summary of what he shared that we should communicate to Cal Fire:

Cal Fire has a shelter in place plan for Lake California, but we also are rated as a high hazard area according to the Fire Hazard Severity Zones. These are contradictory. If we have high fire rating, shouldn't we also have an evacuation plan? The rating you give us makes us pay high insurance rates or have our policies cancelled often. This Cal Fire rating and fire emergency response plan are contradictory. Lake California is a Firewise Community, and we are doing everything in our power to reduce our fire risks. We believe you should lower our rating.

We are still looking for help in establishing a Lake California 501c. Please contact me or Maria if you can help. This is not something we can do alone.

Please tell your neighbors to come to our next meeting, April **17, 2023, at 7:15PM in the Lake Club.**

Communication with everyone is a struggle. We are going to make a flyer and put some in the Country store and hand them out to neighbors.

Please mark your calendars for the Safety Fair, April 29.

Thanks for your support.

Let's do everything we can to not let our houses burn.

Darbie Andrews and Maria Chambers Martinez

WE'RE BACK TO THE LAKE CLUB LAWN!!!

Saturday, April 8TH, 10:00 AM

Children ages 1-10 are invited to bring their Easter baskets and hunt away!

Every child will receive a bag full of Easter goodies before the hunt.

We will have four separate sections for the age groups 1-2, 3-5, 6-8 and 9-10.

There will also be a section for children with special needs.

PLEASE note this event is only for residents. LC residents are encouraged to bring their children and Grandparents are encouraged to invite their grandchildren in for the event.

Thank you for helping us keep this event for our Lake California families.

This event is sponsored by Lake California Community Church.

Questions, contact Debbie Thomas @ dgthomas7422@charter.net

LAKE CALIFORNIA SENIOR SINGLES

(We are not a dating club)

Lunch on Thursday, April 27th at 1:00 PM

At the Eagle's Nest

20633 Gas Point Road, Cottonwood

Hope to see you there!

Watch your POA Newsletter for future updates.

Questions:

Call Pat Riley (530) 347-6288 or Eileen Miller (530) 347-0995

Rio Alto Water District

22099 River View Drive • Cottonwood, CA 96022

Phone: (530) 347-3835 • Fax: (530) 347-1007 • Website: www.rawd.org

March 21, 2023

Billing Updates: Unpaid balances for the 11/3/22 -1/3/23 billing period are scheduled for lock off on April 6, 2023. 24-hour notices will be posted on the 5th. New billings for the period 1/3/23 through 3/3/23 were mailed out on March 3, 2023 and will be subject to delinquent charges if not paid by April 5, 2023. Payments can be made by check or cash, and credit card payments can be made on our website at www.RAWD.org. If paying in person remember to bring your billing stub with you for quick and accurate posting to your account. If you pay using auto bill pay through your bank, be advised that they issue a check to Rio Alto which can take over 10 days to be received by the District. With this in mind, please allow adequate days to avoid a delinquent charge. Customers can also sign up for auto draft payments by completing the form found on our website or at the District office. This service is free and will assure payment is received before delinquent charges are assessed.

Drought: The current year precipitation numbers are very impressive with 126% of the average for water year to date. The current statewide average snowpack is 218% of normal, with the Sierra snowpack being the highest in recorded history. Shasta Lake is up 29.19 feet since last reported. Another atmospheric river is predicted for tonight. The new totals beginning October 1st and comparisons are as follows:

Year	Mar. 19th Precipitation Received	Average Precipitation to Date	Percent of Average	Shasta Lake feet from Crest
22/23	33.34	26.36	126%	44.82
21/22	14.97	26.08	57%	127.39
20/21	15.71	27.48	48%	90.42

Consumption for the period 1/3/23 through 3/3/23 was 1.58% higher than consumption for the same period in 2013. Governor Newsom has relaxed recharge permits in an attempt to divert approximately 600 acre feet of storm water to groundwater recharge in more permeable soils in the central valley area. Some areas in Southern California have rescinded drought restrictions. The Governor has yet to declare the drought to be over.

Wastewater Treatment Plant Updates: The District would like to remind customers **not to flush anything down the toilet other than human waste and toilet paper.** This includes feminine hygiene products, diapers, paper towels, the new toilet cleaning (flushable) pads and baby wipes (**even if they state they are biodegradable**). Fats and oils from cooking should never be disposed of through home plumbing systems. Lateral plugs can be **very costly to the homeowner** and plugs can cause mechanical failures at our lift stations and wastewater treatment plant.

Board Meeting Date: The Board Meeting for April will be held on Wednesday, April 19, 2023, at 6:30 p.m. at the District Board Room. Agendas, Minutes and Resolutions can be accessed at www.RAWD.org "Agendas" and under News & Notices.

Architectural Committee

Architectural Committee
Apply before you buy!

Before you start any project on the exterior of your property, you are required to fill out an application for additions or alterations.

These forms are available at the POA office located near the entrance. The address is 19999 Lake California Drive. 530-347-7900

The newsletter as well as forms for additions or alterations are available on the Lake California website, www.lakecalifornia.net. A member of the Architectural Committee will be able to help. The next AC meeting is scheduled for 4/22/2023. Call the office and ask to be added to the meeting agenda for help with your project if you have questions. Anyone is welcome to join the meeting, but you must be on the agenda to participate.

Each homeowner, renter, contractor and architect should have a copy of the rules and regulations regarding Lake California. Projects that are started without an application, are subject to warnings, fines and liens.

Because of the abundance of rainfall, many streets have experienced flooding. Now is a great time to look at your property and determine if you are prepared for more rain. Cleaning rocks and debris from the entrance and exit of the culverts under your driveway is an excellent place to start. If you are unable to do this work, ask a neighbor for assistance. Report the situation to the office for further help @ 530-347-7900. Large rocks and cobble that cannot be driven on are not allowed in the easement. The easement is defined as at least 10 feet from the edge of the pavement to the property boundary. Some locations such as Rio Alto Drive, have a 20 foot easement. Rocks and cobble need to be removed for accessibility to utilities and first responders (ambulances, firefighters and other emergency vehicles and personnel.) Obstruction in the easements prevents the normal flow of runoff of water.

Dry before you know it! Even though we have had copious amounts of moisture, summer will again bring warmer temperatures and winds. Cal Fire has information available for Low-cost Retrofit to harden your home. More information is available at Fire.ca.gov.

The Architectural Committee will endeavor to incorporate some of these requirements in the future. Additional home safety resources are listed.

ReadyforWildfire.org

codes.iccsafe.org

osfm.fire.ca.gov

More information will be available in future newsletters and available at the POA office 530-347-7900.

The goats are scheduled to be back for an encore performance! Lake California is achieving high goals for fire prevention and protection. We look forward to Ishi camp working on cutting up brush, branches and other burnable debris around the community.

A contractor is cleaning up fuels in the canyons and other areas.

Your POA dues are at work!

Firewise is applying for grants to help homeowners that may not be able to or can afford cleanup.

Remember to apply before you buy!!

John Wimmer
Chair

CELEBRATION TEAM

Thank You to Bryan and staff for the wonderful YUMMY meal prepared on St Patrick's Day.

Thank you to the community for the support, donations and for everyone involved to make the evening fun, enjoyable and a success!

WE are in the process of ordering new T-shirts and we have some new sponsors and T-shirts should be available to purchase the middle of May, more details to follow.

Stay tuned and once again KUDOS to the community, sponsors and donations.

FIREWORKS FUNDRAISER TEAM

ANNUAL MEETING

Since there is no election this year
our Annual Meeting will be on May 16th at 6:00 pm
Prior to our normal May Board Meeting.

LAKE CLUB

PARK DISCUSSION GROUP

We are putting together a park discussion group for the future Recreation Area Complex Property that is located on Rio Alto Drive near Dinghy Place. If you would like to be part of this discussion group, have any ideas or input please come to the 1st meeting on

April 11th at 6 pm down at the Lake Club.

We are excited about getting this property developed and hearing your ideas!!

RED HATS

Fifteen Red Hat LC Scarlet Ladies had a great time on March 10th at The Lighthouse in Redding. Annemarie Brower and Dot Mansen decorated using a St. Patrick's Day theme.

We sang Happy Birthday to Pat Osterhoudt, Judy Soulliere and Lynn Harris.

Gail Russell won the 50/50 drawing.

The Shamrock plants were won by: Betsy Barker, Sandy Weise, Anna Mae Benz and Donna Eddy.

Next month we will meet at The Eagles Nest at 11:30 am in Cottonwood. Carol Anaya and Gail Fitzpatrick will be the hostesses.

COME JOIN US

DID YOU KNOW:

Don't be fooled by deceptive composting claims. You'll see them on take-out food containers, "plastic" bags and utensils, and even kitchen gadgets that claim to make "compost" overnight! While compost can have many different meanings, the process of breaking materials down is vital. To effectively break down organic materials at a large scale involves grinding food scraps, yard trimmings, and other compostable products to small pieces that can be consumed more easily by the microbes and invertebrates in the compost pile. In a backyard compost pile this can be done by chopping down your scraps; but "bio-plastic" or "plant-based plastic" utensils and bags, even when shredded, can take much longer to break down than an apple core or banana peel. Additionally, large composting facilities with ideally sized piles can effectively maintain proper temperatures to speed up the composting process while smaller backyard piles cannot. Appearing to solve this issue some kitchen gadgets are currently marketed to "create" compost overnight, while all they are really doing is dehydrating and grinding your food scraps. If you were to use that like compost it would not have the same benefits because it has not gone through the decomposition phase. Those gadgets would work well to prepare your food scraps for composting, but by themselves could create unpleasant odors or even harm your plants. Come to the Saturday Market by the River Farmers' Market in Red Bluff on April 1st to learn more about compost and you won't be fooled again!

Please, do not forget to recycle! It's good for the County and good for the wallet.

Blood Drive

Tuesday, April 11

2:45 – 5:15 p.m.

Located in The Lake Club

Appointments strongly encouraged and prioritized.

For an appointment go to donors.vitalant.org and enter code **SMFM178** or call Vitalant at 530.893.5433 or scan **QR code**.

Please complete your Fast Track Health History the **day of your donation** on your smartphone or computer at vitalant.org/health.

Please eat well & drink plenty of water prior to donating. Please bring a photo ID.

The recipient of your blood donation would like to thank you in advance for taking the time to save their life.

Donating blood saves lives.

Hey LC do you know CPR? Have you practiced it RECENTLY?

We live in a rural area. EMS can take 11 minutes or more to arrive when our volunteer fire department is unable to respond. If you do not know CPR your loved one may not make it until help arrives-that is the sad reality. Brain damage and death occur after just a few minutes of cardiac arrest without CPR. Delaying CPR and AED may well mean a very bad outcome.

CERT and Lake California Vol Fire Department (LCVFD) have partnered to offer **FREE** American Heart Association (AHA) CPR/AED classes to all Lake California residents at the Lake Club. We will be including Adult, Child and Infant skills.

Text, call or email me at sharon.tehamacert@gmail.com or call/text 619-985-4400 and I will contact you with class times.

We are not charging for the class. If you need or want an AHA CPR certification card, AHA does charge \$17.00 for those, and we will need to collect the \$17 for each card we purchase during the class. We provide that card fee money to AHA and we keep none of those funds. *Purchasing the card is OPTIONAL.*

Do you want to be prepared for an emergency and help your neighbors? All skill levels and abilities are welcome! Please contact me if you are interested. The training and the initial CERT bag is free and provided. **We need more volunteers - Join our Team! You can enroll at any time.**

Send an email to sharon.tehamacert@gmail.com or call 619-985-4400

REC CLUB

BEAUTIFUL - A WEDDING AND A MUSICAL

I was perusing a Rec Club photo album, put together in the 1990s by member Pat Riley, when I came across a picture that looked very familiar...Rec Club members lined up in front of a large bus going or coming from Reno in April 1998...similar to the same photo of our group doing the same last November! The special thing about that trip (there have been so many over the years) is that it celebrated the wedding of two Rec Club members, now longtime residents Jim and Chris Kellems! Talk about a destination wedding! Happy 25th Wedding Anniversary to the Kellems and happy memories for Rec Club members who shared the day with them!

At the March Rec Club meeting, we discussed the places we might go with LC Garden Club members, but first we have to outlast the rainy season (!) to make plans to attend any outside activities. In addition to going to local plays, we are going to try to plan a day trip to Sacramento between June 13-18 to visit the **Broadway at Music Circus** rendition of **"Beautiful-The Carole King Musical"** by carpool. Many of us went to another version of this play in Sacramento a few years ago and loved it for its music catalog of popular songs of the 50s, 60s and 70s. If we can get 10 or more people, we can get the 20% discount, depending on availability. All seats are good at this smaller round venue in Sacramento – our members have given it high praise in the past! Email me @ dgthomas7422@charter.net if you are interested so we can get these tickets before they sell out!

As a group we decided to go ahead and have our monthly potluck on Easter Sunday, April 9th at the usual time of 6:00 pm at the Lake Club. Come dressed in your Spring (casual) finery and we'll discuss this, and any other upcoming activities members come up with. Hope to see you then! Not a member? Now is your time to come check us out and enjoy a nice dinner with LC residents too! Bring a dish to share and your utensils.

Debbie Thomas LC Rec Club Prez/Sec/Treas

Historical Aircraft Display

The airplane display this month will be on

April 15th - 16th

from 8 am to 12 pm at the SW parking area

at our very own Lake California Airport.

If you miss this one don't worry, this will start happening once a month so make sure you check the calendar for future dates.

LC COMMUNITY CHURCH

"March Madness" (college basketball championships) is over and April showers may be in our future! What a beautiful time in Lake California as the grasses are green, the trees are leafing out and "Spring Is In the Air!"

Easter Celebrations:

- ✓ **The Easter Egg Hunt** is back outdoors on the Lake Club grounds and lots of eggs and fun are almost ready! See the advertisement elsewhere in the Newsletter;
- ✓ **Sunrise Service** will be on the Lake Club deck at 6:00 am April 9th for a time of remembering the Resurrection; and,
- ✓ **Easter Worship Services** will be April 9th at 8:30 and 10:15 am in the Lake Club. This year's theme is "Christ the Lord Is Risen – Alleluia!" The Worship Service will be posted on our webpage later on Easter Sunday.

www.lakecaliforniacommunitychurch.weebly.com

The Building: We are in full mode of preparing to break ground soon. Financing is arranged. Permitting is soon to be accomplished and, June-ish, work will begin! We are excited!

Regular services and ministry:

Sunday Services – 8:30 am & 10:15 am

Children are welcome in the main service also.

Children's Ministries during 10:15 service only

[Jr. Church (grades 4-6th) begins the 11th during 2nd service]

Lake California Garden Club

April Showers? We have had January, February, and March showers. Hopefully, April will bring sun!

March brought two meetings. March 7 was the Cascade Garden Club District Flower

Show. Garden club members brought cuttings and branches from our gardens to be judged. We also brought potted plants from house and yard. Other categories included place settings, floral design, hats, collages, and wreaths. A team of professionally trained judges did their magic by viewing every piece and making their judgments. First, second, third and honorable mention ribbons were given out. Next March, be sure to drop by Neighborhood Church in Anderson to view the amazing entries at the 2024 Cascade Garden Club District Flower Show!

The Lake California Garden Club luncheon meeting brought Ed Thomas from the Turtle Bay Arboretum to speak on Propagation. We were instructed on Air Layering, both Hard and Softwood Cuttings, Leaf Cuttings, and Plant Division. If you were unable to come to the meeting, you can take a class at Turtle Bay on the subject.

This month, our club meeting will be held on the second Wednesday, April 12 at the Lake Club. The luncheon begins at 12 noon. Our presenter will follow. Ted Dawson will speak on Mountain Herbs. This will be a very worthwhile presentation.

Don't forget our community-wide Yard sale on April 15th! The garden club will be at its 22120 Riverview location. We will be selling our plants and baked goods. Be sure to drop by to see us!

To keep you up to date, our applications for the Lake California Garden Club Scholarship were due on March 27th. The winner will be announced in the May newsletter.

For comments or answers to any questions, please call me, Kristi Betts, Garden Club President, at (530) 803-3226, or Gail Fitzpatrick, Master Gardener, at (916) 988-9370.

Doodle & Needles

Doodles is an adult art group. Bring your art project to the clubhouse and inspire others! Come draw and paint with us.

If you like to knit, crochet, embroider, quilt or would like to learn, come join the Needles group.

We meet every Tuesday
of each month from
10:00 am to 12:00 pm

DOWN AT THE CLUB

LAKE CLUB LOUNGE

Thursday 5 PM - 10 PM
Friday 5 PM - 10 PM
Saturday 5 PM - 10 PM
Sunday 5 PM - 10 PM

*Lounge hours are subject to change

LC Landing

Hours are Thursday through Sunday
5 pm - 9 pm

We would like to first start off by saying Thank you to everybody that came out to support the St. Patrick's Day Fireworks Dinner. It was a huge hit. We appreciate all of the support from the community.

It was a packed house at the Lake Club for band night in March. We hope you all join us this month for our band night as we welcome The Dead Letter Band. They will be playing on April 22nd from 7 pm - 10 pm.

Don't forget to bring the kids down on the 8th for the big Easter Egg Hunt being put on by the LC Church. This is a fun event for our families with kids ages 1 through 10.

Easter is on the 9th and as a reminder the Lake Club and Lounge will be closed. We will be home enjoying time with our families and we hope you are doing the same.

We wish you all a very Happy Easter!! See you down at the Lake!!
