

Lake California

JANUARY

With 2022 now in our review mirror we look forward to jumping into 2023. We have a new Tehama County Supervisor. Pati Nolan has started her new position and we look forward to working with her, along with the other four Supervisors. Pati has attended several of our board meetings already over the past several months. She is very open minded and is listening to what residents have to say regarding the needs of our community.

RV Lot – Our one-month project turned into 2 and a half months based on the contractor forced to start a little later than planned. Once started we then had days of rain. With the rain we found some sink holes starting that needed to be corrected with additional excavating and rock. Once the repairs were completed, we were forced to wait until the area dried out so the paving could take place. The numbering material that we needed for all the spaces happened to be backordered for several weeks but eventually came in so that portion of the project could be completed. The final process was to get the new keypad and gate motor installed and load in the entry codes into the new system. We have tried very hard to put people in correct spaces based on the lengths of trailers, boats, and RV's that were listed on our spread sheet and contracts. We attempted to make phone calls to anyone we had questions on regarding the length of space they would need. Unfortunately, many tenants have sold their prior property and replaced with larger items without notifying the office. This has made it harder for our staff to then try and find larger spaces for them. For people that have smaller items in larger spaces we may be calling you to move into a smaller space. We have credited your accounts with the time you were not able to use the RV lot (if you had already paid). This was a very large project that was overseen by our Engineers regarding the layout of the spaces, repairs, paving, striping, etc. If you have a concern with the assigned spot, please contact the office so we know there is concern about your space and then can attempt to correct it. Please be patient with us as we try to accommodate everyone's needs. Please keep in mind that tires roll easier on pavement. It is a good idea to put down tire chocks to stop tire movement when we have high winds.

Burning – Once again the Board of Directors approved burning in the community. Burning will be allowed in Lake California by residents on their private property only. No burning shall take place by residents on LCPOA common areas or canyons. Burning may take place from January 1, 2023, through May 1, 2023 (burning could be suspended if needed due to changing weather conditions). Residents that wish to burn, on proper burn days, must obtain a burn permit from Cal-Fire. You may go online to obtain the permit (burnpermit.fire.ca.gov). As of May 2, 2023, burning by residents will not be allowed per rule RR-06-06 Burning. CalFire/Ishi Camp will continue to burn piles in the Canyons that were cut and stacked during prior years.

Culverts – Once again this is the annual reminder for property owners to clean out their culvert underneath their drive way. Every year we have areas of standing water along the roads caused by blockage issues. This is your responsibility to make sure your culvert is clear. Please do your part to help us keep as much water flowing in the right direction as possible.

We wish all of you a happy and healthy 2023.

Scott Nielsen
General Manager, CMCA, AMS

**NOTICE OF THE MEETING OF THE BOARD OF DIRECTORS OF THE
LAKE CALIFORNIA PROPERTY OWNER'S ASSOCIATION**

**THE NEXT BOARD OF DIRECTORS MEETING OF THE
LAKE CALIFORNIA PROPERTY OWNER'S ASSOCIATION HAS
BEEN SCHEDULED TO BE HELD ON TUESDAY, NOVEMBER 15, 2022.**

NOTE: No audio or videotaping is allowed by attendees. As provided for in the "Open Meeting Act," members may observe the meeting, but do not have the right to participate in the Board's deliberations or votes. Members may address issues as they come before the Board or address issues not on the agenda during the open forum portion of the meeting, provided they have filled out a comment card at the meeting. Only members in good standing are free to speak about issues. Speakers must observe rules of decorum and not engage in derogatory remarks, obscene gestures, personal attacks, shouting or other disruptive behavior. Each speaker will have three minutes to speak. If they are in the middle of a sentence when time is called, they may finish their thought before sitting down. The time guidelines ensure that others will have an opportunity to speak. Speakers may not allot their time to others. If at any time during the meeting an attendee becomes disruptive, he or she may be expelled from the meeting.

EXECUTIVE SESSION

6:03 PM

OPEN SESSION

7:01 PM

L. OLD BUSINESS - None**M. NEW BUSINESS**

- Motion to approve limited burning in Lake California. Burning will be allowed in Lake California by residents on their private property only. No burning shall take place by residents on LCPOA common areas or greenbelts. Burning may take place from January 1, 2023, through May 1, 2023 (burning could be suspended if needed due to changing weather conditions). Residents that wish to burn, on proper burn days, must obtain a burn permit from Cal-Fire. You may go online to obtain the permit (burnpermit.fire.ca.gov). As of May 2, 2023, burning by residents will not be allowed per rule RR-06-06 Burning.

**Motion by Director Church, seconded by Director Fenwick
MOTION UNANIMOUSLY APPROVED**

- 2. Motion to approve Budget Committee applications of residents not already on financial committee.
Motion by Director Betts, seconded by Director Fenwick
MOTION UNANIMOUSLY APPROVED

- 3. Motion to approve the 2nd quarter payment transfer from the Operating Account to the CFRA Operating Account in the amount of \$208,255.00.
Motion by Director Betts, seconded by Director Fenwick
MOTION UNANIMOUSLY APPROVED

- 4. Motion to approve replacement of 7 pool skimmers due to broken components and leakage along with concrete work. Bid 1 from Guiton’s Pool Center of \$23,191 (7 – 10 days to complete depending on weather, Warranty of 1 Year). Bid 2 from Precision Pool & Spa Construction of \$22,460 (7-10 days to complete depending on weather, Warranty of 3 Years). ABC Pools reviewed project but did not submit bid. Funds coming from CFRA.
Motion by Director DeArman, seconded by Director Betts to accept Guiton bid
MOTION UNANIMOUSLY APPROVED

- 5. Motion to approve lot combination request for David & Brenda Herrmann. Lots to be combined are 19591 Sweet Brier & 22067 / 22061 Lola Drive. (Track & Lot – 1013-049C & 1013-051/052). Pending approval from Tehama County.
Motion by Director Church, seconded by Director Crawford
MOTION UNANIMOUSLY APPROVED

- 6. Motion to approve variance for front yard fence per A/C committee for Larry & Linda Baldwin at 22395 Riverview Drive, Tract & Lot – 1001-080.
Motion by Director DeArman, Seconded by Director Fenwick
MOTION FAILED with Directors DeArman, Church, and Betts voting for and Directors Fenwick, Gomez, and Crawford voting against.
 This was a homeowner variance to install a permanent chain link fence in the front yard. Those voting felt that a variance was not appropriate for this situation because it was not unique to this address. This issue is widespread in Lake California. The sentiment was that it is more appropriate to wait for the Architectural Committee to complete their work on rule updates. The AC Committee is currently drafting a rule update that would allow certain types of styled chain link fences to be used. That rule change would also include specifics about what types and where those fences can be used. That rule update will go through the normal community review and comment cycle. Those voting No felt that process should be upheld.

N. OPEN FORUM

O. TIME AND PLACE OF NEXT MEETING

7:00 pm January 17th 2023

P. MEETING ADJOURNED at 7:57 PM

Director Sharon Crawford, Director

Date

IMPORTANT ANNOUNCEMENT

In our ongoing efforts to provide residents with continued community communication, we are sending you a courtesy reminder to update your personal information. It is important to keep this updated as we often send out important notices, election ballots, emails, or need to call and speak with you. If you would like to verify the current information we have or if any of the following has changed, please contact the office at 530-347-7900

Contact Information

- Mailing Addresses
- Phone Numbers (cell & home)
- Email Addresses

Please remember it is your responsibility to ensure that your information is up to date.

NOTICE

There will be 3 OPEN BOARD POSITIONS for ELECTION IN MAY OF 2023.

Applications may be picked up in the office starting December 27th, 2022. ALL applications must be received prior to 10:00 am on January 31st, 2023. The elections are tentatively scheduled for May 6th, 2023. If you have any questions, you can review our election procedures on our website at www.lakecalifornia.net under document center.

If, at the close of the time period for making nominations, there are the same number or fewer qualified candidates as there are board positions to be filled, then the board of directors may, after voting to do so, seat the qualified candidates by acclamation without balloting.

Firewise Program benefits

Get a framework for action

Meeting the criteria for becoming a Firewise USA® site helps communities get organized and find direction for their wildfire safety efforts. Like the first rungs on a ladder, the criteria help get a community started toward annual, systematic action to reduce their risks from brush, grass and forest fires.

Learn about wildfire

As people go through the process, they learn about wildfire risks in the community and the simple things they can do to reduce them. They connect with experts – local fire fighters, state forestry professionals, and national researchers – to continue to learn about fire and find resources to accomplish fire-safe actions.

Get a peace of mind

People who work with experts to learn about wildfire and take action start to see results quickly. Knowing that they are using the best information available and actually taking steps to reduce the risk of damage from fire helps people start to feel safer in their environment and in their homes. Having a plan for what to do in the event of a fire helps people become calmer and more prepared to act quickly.

Community-building

As neighbors get together to do work, often meeting one another for the first time, they build a stronger bond with each other. Activity can help rally people to a common cause for the good of the neighborhood. This strengthening of community ties can benefit residents in many ways, and is especially helpful during an emergency.

Build citizen pride

While the work can be fun, it isn't always easy. Neighbors work very hard in communities to remove brush and debris, clean up common areas, and dispose of green waste. They are rightly proud when they achieve national recognition for their efforts.

Get publicity

The program provides communities with metal signs, a plaque and other materials that can be presented publicly to honor their status as a Firewise USA® recognition site. These recognition ceremonies are great ways to shine the spotlight on community efforts. News media find this to be a great story to cover, and the national program features community stories regularly on the website and in its publications. All this publicity results not only in satisfaction for the residents involved, but also provides one more way to reach large numbers of people with information about wildfire safety.

Access to funding and assistance

Preference is sometimes given to Firewise USA® sites over other candidates when allocations of grant money are made for wildfire safety or fuel mitigation. The reason is that there are invariably more requests than available funds when grants are available through state or federal agencies. If requests are equally worthy, some officials tend to have more confidence in communities that have demonstrated the foresight of becoming a recognized Firewise USA® site.

Insurance discount for USAA members in certain states

The Departments of Insurance in the states of California, Colorado, Texas, Arizona, Oregon, New Mexico and Utah have approved filings by USAA to [give homeowners insurance discounts](#) to USAA members living in communities recognized by the Firewise USA® program.

Rio Alto Water District

22099 River View Drive • Cottonwood, CA 96022

Phone: (530) 347-3835 • Fax: (530) 347-1007 • Website: www.rawd.org

HAPPY HOLIDAYS!

December 20, 2022

Billing Updates: Unpaid metered billings for the period 07/5/22 to 9/6/22 were locked off on Dec. 13th. Unpaid billings for the period 09/06/22 – 11/3/22 are scheduled for lock offs on February 3, 2023. Availability lot billings for the period 10/1/22 through 12/31/22 will be mailed out December 29, 2022. Payments can be made by check or cash, and credit card payments can be made on our website at www.RAWD.org. Customers can also sign up for auto draft payments by completing the form found on our website or at the District office.

Drought: The Water Year for 2022 ended on September 30, 2022, with final precipitation totals of 19.75 inches, only 58% of the normal season to date of 33.50 inches. Lake Shasta closed the water year at 140.35 feet from the crest. The new totals beginning October 1 and comparisons are as follows:

Year	Dec. 18 Precipitation Re-	Average Precipitation to	Percent of Average	Shasta Lake feet from Crest
22/23	5.43	9.11	59%	145.96
21/22	8.51	7.24	117%	171.29
20/21	3.17	10.47	30%	108.52

We are experiencing freezing temperatures so please make every effort to wrap any exposed piping to protect your pipes from freezing and bursting. Sprinklers should be shut off for the winter now.

Wetlands Update: The key card reader is up and running at the wetlands. Many residents have already signed up and received their cards. Contracts can be completed and key cards purchased at the Rio Alto Water District Office. The \$10 nonrefundable deposit must be paid by check or cash. No cards can be accepted. Due to recent vandalism, a second camera is being installed.

Board Elections: Incumbents Craig Weaver and Ginny Mercer were re-elected to the Board of Directors through the November General Election. At the December Board meeting an election of officers was held and the new Board President is Richard Brubaker and the new Board Vice-President is Ginny Mercer.

Wastewater Treatment Tour: A Wastewater Treatment Plant Tour will be held on January 11:00 at 1p.m, as long as the weather complies. If you are interested, and haven't already signed up, please stop by the office and get your name on the list.

Board Meeting Date: The Board Meeting for January will be held on Wednesday, January 18, 2023, at 6:30 p.m. at the District Board Room. Agendas, Minutes and Resolutions can be accessed at www.RAWD.org "Agendas" and under News & Notices.

Rio Alto Water District is a Special District governed by California Water Code and not affiliated with the Property Owners Association.

Architectural Committee

Happy New Year 2023.

First of all, a big thank you to all employees, volunteers and residents of Lake California! You have seen and experienced a lot of growth and changes to our community. Many more are yet to happen.

The Lake California volunteer fire department has averaged at least one call per day! The volunteers are on call 24/7 to help us in case of an emergency. When the volunteers respond, it is impossible to find you if it is dark, the power is out and no numbers are on your mailbox post or on the house. So please, buy some 4 inch high reflective numbers for your residence. Don't delay, do it today!

As our community grows, so does the need for more volunteers. The architectural committee for example, has several members that work full time, travel outside Lake California for their job and need time for family, but are still setting aside time to help. We all appreciate you very much! For more information about volunteering, please call the POA office @ 530-347-7900.

One of the many changes is that you are probably reading this online. Thank you for your help in making Lake California a wonderful place to live!

Information regarding rules and regulations in Lake California are available at the POA office and on the Lake California website at www.lakecalifornia.net

Wishing you and yours a pleasant New Year.

John Wimmer
Architectural Committee
Chair

LC FIRE DEPT

Hello Lake California and Happy New Year,

We hope you all had a Merry Christmas and a very Happy New Year. Congratulations and thank you to those folks who donated to our toy and food drive. Your donations made the difference for so many families who needed help during the holiday season. This is an awesome community and I'm proud to be the leader of this fire company.

RESIDENTIAL NEWS:

Thank you to our local Lions club for the lifesaving Thermal Imaging Camera. The camera has already been used twice since receiving it Dec. 10th. We are so fortunate to a Lions Club nearby that wanted to help our Fire Department. We responded to a structure fire in Bowman and it was used at the incident. Please continue to look at and repair as needed your address. Thank you to those who have taken the time to help us find you during an emergency. Speaking about emergencies our department is rapidly approaching the 365 calls for service. Presently we are less than 10 calls away from a call a day average.

So far, we are still on track with the annual Crab Feed scheduled for February 25th 2023. This is our signature event fund raiser and you will not want to miss it. We did not have it for the last two years because of COVID. We will be seeking donations from our neighboring business for the raffle.

We are still on track for our 2023 Public Safety Fair scheduled for April 29th. We hope you can attend and see all of the public safety emergency response resources.

Our Lake California Fire Department Auxiliary group is seeking new volunteers. If you would like to be one of our auxiliary members, please call our president at 530-710-4435.

Our Community CERT staff is doing good things and we continue to support the organization. They are looking for new members and we will be conducting future CPR classes for our community.

WE NEED VOLUNTEERS! Make this your New Year's resolution and become a volunteer firefighter. We make a difference in our communities. If you would like more information on becoming a volunteer firefighter, auxiliary member or CERT member, please send us an email at: lakecaliforniafd@gmail.com Please stay informed on Fire Department news by liking us on Facebook at our NEW ADDRESS: "Tehama County Fire Station 2, Lake California". We will answer any private messages sent to our FB page.

Our mailing address is: Lake California Fire, 22097 Riverview Dr., Cottonwood, CA. 96022 Donations are always accepted and appreciated. Thank you to those who have donated.

SUMMARY OF INCIDENTS: 11-15 thru 12-19-2022

Medicals: 22

Public assist: 1

Traffic Accidents: 3

Structural Fire: 3

TOTAL Call for Service: 29

Total calls since Jan 1, 2022: 349

Rainfall for November: 3.90

Rainfall to date this month: 3.30

Respectfully submitted: Chief Chris Wikeen

Reminder

The office, and maintenance will be closed on
January 2nd, 2023 in observance of New Years.
We will back in the office at regular business
Hours on January 3rd, 2023.

We hope you have a safe and Happy New Year's!

NOTICE

The Board of Directors has approved burning in Lake California for residents on their private property only. No burning shall take place by residents on LCPOA common areas or greenbelts. Burning may take place from January 1st, 2023 through May 1st, 2023 (burning could be suspended if needed due to changing weather conditions). Residents that wish to burn, on proper burn days, must obtain a burn permit from Cal-Fire. You may go online to obtain the permit (burnpermit.fire.ca.gov). As of May 2nd, 2023 burning will not be allowed by residents per rule RR-06-06 Burning.

For burn day information call Tehama County Air Pollution Control District at (530) 527-3717.

SAFETY FAIR 04/29/2023!

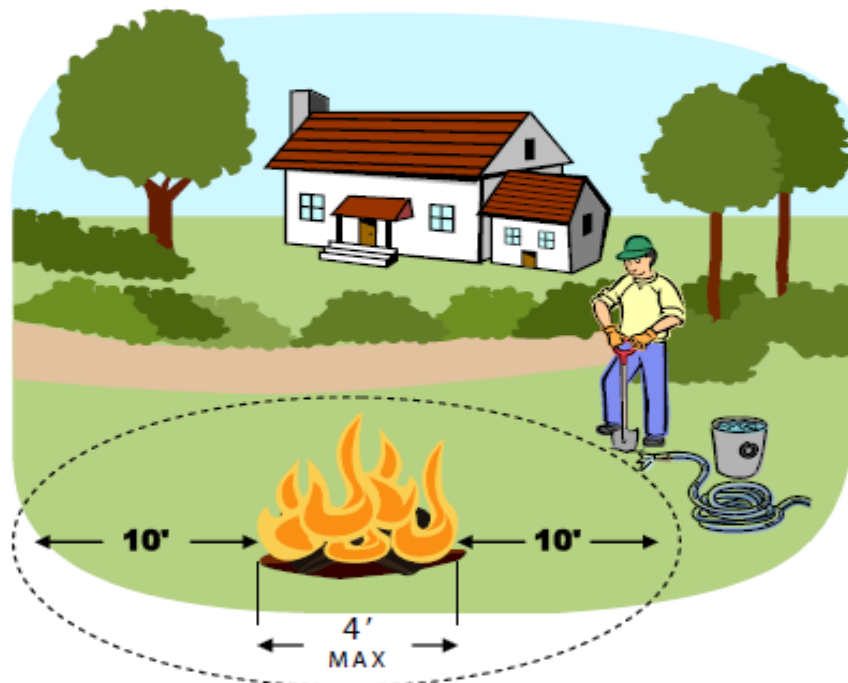

Debris Burning

Debris Burning

The following are burning permit requirements:

For burning debris in small 4-foot x 4-foot piles:

- Maximum pile size 4 foot in diameter.
- Clear all flammable material and vegetation within 10-feet of the outer edge of pile.
- Keep a water supply close to the burning site.
- An adult should be in attendance with a shovel until the fire is out.
- No burning shall be undertaken unless weather conditions (particularly wind) are such that burning can be considered safe.

No household trash or garbage can be burned outdoors at residences. Dry, natural vegetation, grown on the property can still be burned outdoors in open piles, unless prohibited by local ordinances. Burning can only be done on permissive burn days. Burn permits are only valid on "Permissive Burn Days" as determined by the State Air Resources Board or the local Air Pollution Control District (APCD).

Violations Of Any Burning Permit Terms Are A Violation Of State Law
(Public Resources Code 4421, 4422, 4423 And 4425)

www.fire.ca.gov

Holiday Tree Removal

December 29th - January 31st.

This year you will have 2 options to get rid of your Christmas tree.

- 1) You can take it to the dumpster that will be located at Booster park next to Goff Hall ** bins are for trees only **NO** trash **
- 2) You can cut your tree down to no more than 3 feet bundled sections and set it next to the yard waste container or place it inside the container. They will only be picked up on yard waste days and they need to be bare (i.e. no decorations, tinsel, garland, etc.).

The View from the Street

With there being many new property owners and residents that have moved into the community during the past year, we want to remind all residents that while possession and use of “safe & sane” fireworks is allowed in Tehama County for New Year’s Eve celebrations, LCPOA community rule & regulation **RR-06-09 FIREWORKS** prohibits the individual use or discharge of any fireworks within the properties of Lake California. Violations of this community rule & regulation are serious and subject to a mandatory enforcement assessment fine starting at \$250.00.

Another reminder is that community rule & regulation **RR-06-12 HOLIDAY DECORATIONS**, requires that all holiday decorations must be removed from the front of the house within 30-days after the applicable holiday. Because we are aware that many enjoy and consider keeping their lights up until after the New Year a part of the holiday season ritual, all lights and other holiday decorations commonly considered Christmas decorations should be removed from front of the property as viewed from the street by no later than January 31, 2021 to avoid receiving a notice from Compliance.

We would also ask, (especially with any discarded packaging from all those Christmas presents) that residents focus their attention on the issue of community rule & regulation **RR-06-23 STORAGE**. The visible accumulation of paper, cardboard boxes, scrap lumber, old indoor furniture or any other items that a reasonable person of average sensibilities would consider to be unsightly clutter and debris when viewed from the street are in violation of RR-06-23 and need to be kept cleaned up and removed from view of the street.

Also with the strong winds that occur in the community during winter storms, we want to remind all property owners to remember to take care their landscaping due to any downed trees, tree limbs, or damaged fencing as required of each property owner by **Article 7.4.1 Maintenance of Lots**.

Please have a Happy New Year celebrating both safely & sanely, and keeping properties maintained in an attractive condition in accordance with the LCPOA Governing Documents.

DID YOU KNOW:

Happy (re)New Year! Celebrate 2023 by reducing waste, reusing what you can, recycling what you cannot reuse, and rebuying recycled content products. Here are some tips to help you kick off the (re)New Year and have less impact on the environment in 2023.

Reduce:

- Each year over 1.8 million tons of clothing and textiles end up in landfills across California. Before shopping for new clothes, shop your closet first to see what you have not worn in a while and create a new outfit from that. Have clothing or other textiles not fit for donating to a thrift store? Bring them to the Tehama County/Red Bluff Landfill's free textile drop-off bin.

Reuse:

- Coffee mugs, water bottles, and grocery bags are all fairly standard reusable items; but have you considered reusable foodware for holiday parties and family gatherings? Reusable products pay for themselves after only a few uses and help reduce unnecessary waste.

Recycle:

- Remember only clean, dry, and empty recyclables should go in your recycling bin.

Rebuy:

- Purchasing recycled content products helps ensure that items going in your recycling bin will be remade into new products. Also, purchasing second-hand items helps save resources used to make new products.

Working together we can make a difference!

Doodlebugs Art Group

Doodlebugs is an adult art group.

Bring your art project to the clubhouse and inspire others!

We meet every Tuesday

of each month from

10:00 am to 12:00 pm

Come draw and paint with us.

Needleworks

If you like to knit, crochet, embroider, quilt or would like to learn, come join us.

We meet every Tuesday of each month from 10:00 am to 12:00 pm at the Clubhouse.

See you soon

Hey LC do you know CPR? Have you practiced it RECENTLY?

We live in a rural area. EMS can take 11 minutes or more to arrive when our volunteer fire department is unable to respond. If you do not know CPR your loved one may not make it until help arrives-that is the sad reality. Brain damage and death occur after just a few minutes of cardiac arrest without CPR.

CERT and Lake California Vol Fire Department (LCVFD) have partnered to offer **FREE** American Heart Association (AHA) CPR/AED classes to all Lake California residents at the Lake Club. We will be including Adult, Child and Infant skills. Add your contact information below to get on our list or email me at sharon.tehamacert@gmail.com or call/text 619-985-4400. Here is the link to the form

<https://forms.gle/59vTHxXs75iPgBbE7>

We are looking to see what are the preferred days and times to schedule classes. You will have an opportunity to choose a specific class day/time once we determine which schedule to offer. This form will get you on the interested list.

We are not charging for the class. If you need or want an AHA CPR certification card, AHA does charge \$17.00 for those, and we will need to collect the \$17 for each card we purchase during the class. We provide that card fee money to AHA and we keep none of those funds. Purchasing the card is OPTIONAL.

Do you want to be prepared for an emergency and help your neighbors? All skill levels and abilities are welcome! Please contact me if you are interested. The training and the initial CERT bag is free and provided. **We need more volunteers - Join our Team! You can enroll at any time.**

Send an email to sharon.tehamacert@gmail.com or call 619-985-4400

REC CLUB

Words of Wisdom from a Poet

Congratulations! Today is your day. You're off to Great Places! You're off and away!"— Dr. Seuss, Oh, the Places You'll Go

Did you know that is how that poem starts? I didn't until I googled it. I can't promise that the Rec Club will go to many 'great places' in 2023, but I think that a whole group of us thought the Reno trip last November was pretty great! Who knows what the New Year will bring? So come on down to the Lake Club on the 2nd Sunday of the month to find out! Our first potluck (and 20 minute max meeting) will be on January 8th at 6:00 p.m.

Annual dues remain at only \$10 per person, and goes toward your meal at the Annual BBQ at the Campgrounds in June. It's a win-win for all – have fun with your LC neighbors and eat well every month too! Bring your utensils and a dish to share and see what we are all about.

Debbie Thomas
LC Rec Club
Prez/Sec/Treas

RED HATS

On December 9th the Red Hat Ladies went to Humble Joes restaurant.

We had one birthday girl; Pat Sossaman. Door prizes went to Gloria Dickey and Judy Soulliere. The 50/50 was won by Sandy Weise.

The next luncheon is scheduled January 13th at the Country Waffles at 2300 Athens. The time will be 11:30 am.

Historical Aircraft Display

The airplane display this month will be on

January 21st - January 22nd

from 8 am to 12 pm at the SW parking area

at our very own Lake California Airport.

If you miss this one don't worry, this will start happening once a month so make sure you check the calendar for future dates.

LC COMMUNITY CHURCH

Happy New Year!! 2023!

Looking back, thank goodness 2022 is over! The remnants of Covid, the Flu, colds and much more are welcome to fade. **2023 IS HERE!** And may it be a year of advancement ~ health, safety and calming in our nation and around the world. Yes, there will be challenges ahead, but with a new year comes a new resolve and freshness. The end is important but the process is where we grow and demonstrate our values – let us, as individuals and a community, show tenacity and integrity!

“We as a people are resilient and have been through Ups-and-Downs before . . . and will in the future, but the sun comes up, alas, we continue. We are a people of *HOPE*”. Scripture tells us that God’s mercies are new every morning [Lamentations 3:22-23] . . . that means a fresh start . . . we cannot undo yesterday but we can make better decisions/choices today! May 2023 be not only a new chapter but, as we meet it with new resolve and freshness, a better chapter/year.

NO DOGS ALLOWED on the ballfield! I know it is a “tempting fenced enclosure” but the NO DOGS is for the safety for the children and people who use the field. Dogs leave *lawn fudge* which when discovered by a youngin’ is not laden with healthiness. Our desire to provide the field for church and community use is important to us and many who have used it ~ **So, PLEASE, No Dogs Allowed!**

Church Building Update: Final design building permits for the new building are to be issued by Tehama County soon. Keep watching – minor preparations continue! We continue to save funds as we make decisions. More updates to come.

New Year's Day Service

10:15 am ~ One Service ONLY

Regular services and ministry will resume after the New Year:

Sunday Services – 8:30 am & 10:15 am

Children are welcome in the main service also.

Children’s Ministries during 10:15 service only

[Jr. Church (grades 4-6th) begins the 8th during 2nd service]

Lake California Garden Club

Happy New Year! Congratulations to you for reading this first newsletter issue online! What other changes will we find in the new year?

I bring you the Garden Club report from December, a very busy month for most of us! We started with our Annual Tree Trimming Ceremony by the rose gardens. Last year we had about 20 participants where Santa passed out only 2 or 3 candy canes. This year, Santa arrived by fire engine! In spite of the rain, we had a huge crowd. Santa spoke with each child, passing out about 60 goody bags! Thanks go to the Boosters for provided them. At the tree lighting, children helped put ornaments on the tree, and everyone sang Christmas songs and carols, we had a wonderful time!

The following week, we had our Christmas party. There was a delicious turkey dinner with all the trimmings. After our business meeting, we had our gift exchange. We try to give home baked, home grown, and homemade gifts. These gifts were distributed with a Christmas story and game.

On the third Sunday, we sponsored the Christmas Lights Contest, along with the POA. Teams went out to the 11 sections of the community, choosing the most beautiful display from each, a very difficult task, since so many are putting up lights this year. It was then necessary for the 4 board members to visit all eleven displays to select 1st, 2nd, 3rd and 4th places. The 11 section winners are below as well as the top four prize winners. Congratulations to you, and thanks to everyone who helped to brighten up the community with lights. I hope many of you took your own tours during December!

Lake California 2022 Christmas Lights Contest Winners

- Area 1. 21921 Hayfork Place **3rd Place**
- Area 2. 22016 Rainbow Ridge
- Area 3. 21997 Carmello Drive
- Area 4. 19686 Black Fox Drive **2nd Place**
- Area 5. 19565 Covington Mill Road **4th Place**
- Area 6. 19657 Freshwater Drive
- Area 7. 19995 Indian Tom Drive

- Area 9. 19401 Little Valley **1st Place**
- Area 10. 19161 Banner Way
- Area 11. 22333 Rio Alto Drive

We Lake California Garden Club members hope you all had a wonderful Holiday season. Now it is time to look ahead into this brand new 2023 year. Our next meeting will be held on Wednesday, January 11, 2023. The potluck luncheon begins at 12 noon. The speaker, Paulette Blackstone, will present information on Cooking Herbs and Seed Bombs. Come to see what that means!

For answers to any questions, please call me, Kristi Betts, President, at (530) 803-3226, or Gail Fitzpatrick, Master Gardener, at (916) 988-9370.

HAPPY NEW YEAR'S!!

We would like to start off by thanking everyone for their continued support down here at the Lake!

Reminder that we will be closed on New Year's day. We hope you all have a safe New Year's with your family and friends.

What is in store for this year? We never know, however we will be getting the bands back here shortly. All the bands we had last year loved the vibe and are excited to come back. We will also have some new bands as well.

Last month it was mentioned that Bryan's new menu would be out soon, sorry for the delay as it has been really busy, I will be getting it out here at the beginning of the year.

As an ongoing reminder if you have any COVID or Flu symptoms please stay home and do not expose the staff or other residents. We want to continue to keep everyone safe and be able to keep the Lounge and Landing open with a full staff.

Again, thank you all for our continued support and patience throughout the year!

We look forward to a fantastic 2023 down at the Lake!
